

HHSTRONG

**Harris
Halperin**

Harris Halperin, who would have been a Senior at Ardsley High School this year, passed away last March from a rare form of lymphoma. Harris was an intelligent and natural leader, both in his academics and athletics. His vibrancy, perseverance, and optimism only intensified during his 10 month battle with cancer. His infectious smile and kindhearted nature will always be remembered and missed dearly.

OUR GOAL

Harris endured four rounds of chemotherapy at Columbia University Medical Center (CUMC) and 25 overnight stays. To honor his memory, please consider **donating to Hope & Heroes**, a non-profit organization dedicated to funding life-saving research and care for children suffering from **cancer and various blood disorders** at CUMC. Thank you for your generosity.

THIS SATURDAY, 2/2

Come to the **Girls Varsity**

Basketball game at 12pm and the

Boys Varsity Basketball game at

2pm to show your support!!!!
